

Norwegian Day Camp

Youngsters from 5-16 are encouraged to come along with their parents/grandparents to the Centennial Celebration on Saturday, May 7th.

This special day of activities designed especially for the 'next generation' begins at 8 A.M. and ends at 5:00 p.m. We'll start things off with the Stoughton Norwegian Dancers, who will teach us a Norwegian folk dance. We'll then have a getting-to-know-you session, learn a little Norwegian history, and sing some Norwegian folk songs. After sharing a special lunch together, we'll fill the afternoon with games and crafts...and a visit from a ventriloquist!

The \$60 registration fee includes all materials, lunch and snacks. It also covers admission to the Friday evening reception and Saturday evening banquet.
